

Tutoring is available **On Campus** and Online for Fall 2023!

On Campus (Blountville, Kingsport)

Online (Zoom, email, phone)

Note: Not every subject is available on every campus.

Please email TLC@NortheastState.edu to schedule **online tutors** or **in-person tutors by appointment**.

Provide the following information:

Name

Student ID number (900#####), if possible

Course number or title

Instructor's name, if possible

Session preference: in person, online, or either

Description of the assignment and/or content with which you need help

Best phone number at which to reach you

Times which would be convenient for you to work with a tutor

If sending a **writing assignment** or research paper for feedback, you will need to include:

A draft of your writing assignment or research paper (as a **Word** document)

A copy of the assignment description which was provided by your instructor

A grading rubric, if one was provided by the instructor

We often return feedback within a couple of hours.

However, due to staffing differences on different days, we ask that you allow up to 2 business days for feedback when planning your writing schedule.

If needing help with **math or science problems**, you may prefer to send:

A screenshot of specific problems with which you need help, or

Problems cut-and-pasted into your email.

You can also wait to address specific problems until you meet with your tutor.

Occasionally additional tutoring hours may be available due to tutor schedule changes.

Email TLC@NortheastState.edu to check about possible additional hours.

This semester, TLC is also providing a partnership with Tutor.com, which will allow you to supplement our TLC services. This can be especially helpful if you need assistance with a very specialized subject or at hours that TLC tutors are not available. This Tutor.com service is available 24/7. If you wish to contact Tutor.com, look for the link in the D2L course for which you need help.

For more information about tutoring services, you may call TLC at 423.354.5112 (Monday-Thursday, 9am-4pm).

You may also email TLC@NortheastState.edu (anytime).

The Learning Center staff and tutors look forward to helping you this semester.

TUTOR SCHEDULE FALL 2023

MATHEMATICS
