

The Career & Workforce Development Center at Northeast State Community College is your one-stop shop for career planning and job search needs. Whether you are looking for your dream job or climbing the career ladder, we invite you to partake in our free career services.

The Career & Workforce Development Center is a proud partner of Handshake, a career management platform that has been proclaimed the #1 way college students get hired. Your access to Handshake

continues beyond graduation, and staying connected to Handshake means staying connected to us. Handshake can help you learn about our employer networking events, discover new career paths, and find amazing jobs and internships. You can access the Handshake system and log-in page by clicking on the following link: northeaststate.joinhandshake.com. If you used Handshake while you were a student, your account and log-in credentials will remain active. If you are a new user of the Handshake system, we welcome you to create an alumni account by following these instructions.

In addition to career events and job postings, the Career & Workforce Development Center offers support with career and professional planning, résumé assistance, job interview preparation and other preemployment needs. To request a service or appointment, please contact 423.354.5229 or careersvcs@NortheastState.edu.
