

How will my courses transfer from the TN eCampus to Northeast State Community College Degree Programs?

The following courses from the TN eCampus have been evaluated by Northeast State academic deans for equivalents to the Northeast State courses that appear on the right. If there is not an equivalent course, you may still be granted general elective credit. It is recommended that students complete both courses in a TN eCampus sequence in the online format. TN eCampus courses with a different course ID cannot be used to repeat a Northeast State course.

* TN eCampus courses that satisfy Northeast State general education core requirements. **Note:** Some majors may require specific general education courses. Students and advisors should consult curriculum guides before making general education course selections.

Note: ♦ Course designed for transfer.
