Databases:

As Education is a very broad topic, other indexes and databases may also be useful in your research. Please consult a Librarian if you have questions.

Education Index – Articles on education topics including: adult, continuing, distance, preschool, elementary, secondary, higher, special, and vocational education; computers and technology in education; multicultural/ethnic and religious education; parent-teacher relations; school administration; teaching methods; and more.

Professional Collection – Articles from over 405 titles, (most are full-text), covering a variety of topics for teachers/ educators, including: health and fitness, school law, drug and alcohol abuse, learning disabilities, sports, arts and humanities, social sciences, psychology, and more.

ERIC – Access to education-related literature including documents, journal articles, selected theses, dissertations, books, and more.

Chronicle of Higher Education – Information on higher education from articles, news, events, and by topic. Includes job listings, statistical information, advice, and forums, as well as blogs. Also access information specifically on community colleges, technology, faculty, administration, current issues, special reports, and international news.

Academic OneFile – Comprehensive database with millions of articles from journals and other reference sources. Includes articles on a variety of subjects such as: business and small business, communications and mass media, computers, criminal justice, diversity, education, environmental studies, health and medicine, landscaping and horticulture, military and terrorism, pop culture, psychology, religion and philosophy, and science.

General OneFile – One-stop source for news and periodical articles on a wide range of topics: business, computers, current events, economics, education, environmental issues, health care, hobbies, humanities, law, literature and art, politics, science, social science, sports, technology, and many general interest topics. Millions of full-text articles, many with images.

Testing and Education Reference Center – Provides information on colleges and programs, as well as covers preparatory examinations including entrance exams, certification and licensing tests such as ACT, CLEP, GED, GMAT, GRE, SAT, LSAT, NCLEX, EMT Basic Certification Exam, Civil Service Exams, and more.

Journals:

The Library has numerous journals and periodicals that are education-related. For a complete listing, see our "Education Periodicals" handout, a Periodicals Holdings notebook, or check with a Librarian.
