

# Bristol Food Pantries

The Student Needs Project at Northeast State has partnered with Second Harvest Food Bank and several other community organizations to assist currently enrolled Northeast State students who have a genuine need for food. Students enrolled at the Bristol Campus may visit our campuses at Blountville or Kingsport to receive assistance through Northeast State's Mobile Food Pantry or may choose one of the community sites listed below. Students choosing to participate in the Mobile Food Pantry Program can find a distribution schedule and an application form at [www.NortheastState.edu/StudentNeedsProject](http://www.NortheastState.edu/StudentNeedsProject). Completed applications can be submitted to Heather Jones (BR305). **Students choosing to participate in community food pantries do not need to submit applications to Northeast State.**
