

Mission Statement

The TRiO Student Support Services mentoring program at Northeast State Community College empowers students to overcome barriers to academic success through personal relationships with a trained mentor.

WHAT IS TRIO 1-2-1 MENTORING?

A mentoring program designed to help new TRiO participants adjust to the college environment, learn about the campus resources available, and develop vital personal and academic skills necessary for success through face-to-face meetings.

WHO QUALIFIES FOR THE TRIO 1-2-1 MENTORING PROGRAM?

New TRiO participants enrolled at Northeast State Community College.

WHEN AND HOW OFTEN WILL STUDENT MEET WITH MENTOR?

Upon submission of the TRiO application, a mentoring session will be scheduled by a TRiO advisor. There are 5 mentoring sessions. Each session lasts 30-60 minutes.

WHO ARE MENTORS?

Mentors are Northeast State students who have successfully completed two semesters at Northeast State or faculty/staff members who volunteer to mentor for the TRiO program. All mentors are required to complete mentor training before being assigned to students.

WHAT IS A MENTORING SESSION LIKE?

Mentoring sessions are interactive activities designed to inform you about various topics including: navigating D2L, learning styles, test taking and note taking strategies, reading a syllabus, time management, study skills, campus resources, Degree Works, and managing finances.
