***PLEASE READ CAREFULLY***

If you are accepted as a student at this institution, there are certain performance tests you will be required to take during your academic career. It is a requirement of admission that you agree to take any tests deemed necessary by the College. In those instances where tests are administered by an external entity, you hereby agree for the results of such tests to be released to the institution. The purpose of this requirement is to comply with the legislature’s expressed intent that institutions regularly evaluate and improve instruction at all levels. If you are under 21 years of age and are required by institutional policy to complete the COMPASS test, your scores on this test and course placement may be reported to your high school for research purposes. Any test scores will be treated confidentially as required by law.
