

Breakfast with the President

A time to fellowship, reflect & look forward to the next exciting chapter.

During Spring 2010, TRiO Student Support Services established *Breakfast with the President*. This event is an exciting annual tradition to honor TRiO Participants and the President of Northeast State.

Also during the event, TRiO medallion keepsakes are given to SSS Graduates. These medallions are proudly worn during Northeast State's Honors Convocation and Commencement.

Students are recognized as individuals during Breakfast with the President. We celebrate achievements, academic success, participation in TRiO SSS and persistence towards graduation!

Awarded during the event are certificates in the categories of:

- ◆ SSS Graduate
- ◆ SSS Scholar
- ◆ SSS Outstanding Participant
- ◆ SSS Outstanding Tutor
- ◆ SSS Outstanding Mentor

Participants selected to attend Breakfast with the President are notified by invitation from TRiO SSS.

*President Bethany Bullock
