

Wireless Access You can access the campus wireless Internet by opening a browser (Internet Explorer or Firefox) on your laptop. After you connect to NSCC_Wireless, you may get a security warning. If so, continue on to the website and enter your Northeast State username and password (the same ones you use to log onto a computer) on the Cisco login page and click the Submit button. For more information please contact Computer Services at 354-5181 or extension 5181.
