

Spring Commencement

Guests are asked to refrain from coming forward to take photographs during the ceremony.

Northeast State is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Northeast State.

About Northeast State

History

The history of Northeast State Community College reflects the changing educational needs of the residents of the five Northeast Tennessee counties which it serves. The college began as Tri-Cities State Area Vocational-Technical School in 1966 under the governance of the State Board for Vocational Education. In 1970, the mission was expanded and the school became a regional center for vocational and technical training. The scope was again expanded in 1978 to include the awarding of both one-year certificates and associate degrees in technology and the name was changed to Tri-Cities State Technical Institute. Effective on July 1, 1983, Tri-Cities State Tech was placed under the governance of the Tennessee State Board of Regents and became part of the State University and Community College System of Tennessee. On July 1, 1990, a university parallel component was added, and the institution's name was changed to Northeast State Technical Community College. On July 1, 2009, the name of the institution was changed to Northeast State Community College to better reflect the diverse range of programs offered by the institution.

As a comprehensive community college, Northeast State provides university parallel programs designed for students desiring to transfer to another college or university, career programs for students planning to enter the workforce immediately upon graduation, and continuing education and community service programs for professional growth and personal enrichment to the citizens of Carter, Johnson, Sullivan, Unicoi and Washington Counties. In partnership with the community, the college sustains the effort toward improving the quality of life for residents of the upper East Tennessee region.

Vision

Northeast State shall be a premier learning-centered institution whose students and graduates are among the best-prepared individuals to meet current and emerging needs.

Mission

Northeast State is an open-access, public, comprehensive community college that advances the life-long educational development of the residents of the region and strengthens the economic and social/cultural aspects of the community. To facilitate teaching, learning, service, and student success, the College provides innovative, high-quality, and relevant associate, certificate, and career-focused educational programs and services. Programming and comprehensive support services are offered through varied delivery systems and at multiple sites throughout its primary service area of Carter, Johnson, Sullivan, Unicoi, and Washington counties. Within all aspects of its operations, Northeast State serves the public's interest through the wise use of fiscal, human, and physical resources.

Values

Northeast State Community College embraces these values:

Respect: *We value respect and provide an environment of inclusiveness, cooperation, and diversity.*

Responsibility: *We value responsibility and promote integrity, accountability, and excellence in teaching, learning, and services.*

Responsiveness: *We value responsiveness and facilitate personal, professional, and economic growth.*

2019 Commencement Speaker

David A. Golden, J.D.

***Senior Vice President, Chief Legal and Sustainability Officer,
and Corporate Secretary, Eastman***

David A. Golden is Senior Vice President, Chief Legal & Sustainability Officer, and Corporate Secretary for Eastman. Golden has responsibility for Eastman's Legal, Sustainability, Corporate HSES, and Global Public Affairs and Policy Departments, which has personnel in the United States, Europe, Latin America, and Asia. He also has overall responsibility for Eastman's Ethics & Corporate Compliance program.

Golden is a native of Albany, Georgia. He holds a B.S. degree in accounting from Brigham Young University and a J.D. degree, also from Brigham Young University, graduating Magna Cum Laude and Order of the Coif and serving on the management committee of the BYU Law Review. He completed the Advanced Management Program at Harvard Business School in 2012.

Golden joined Eastman in 1995 as an attorney and has held positions of increasing responsibility, including serving as the company's Director of Internal Audit and Vice President and Assistant General Counsel in charge of the company's Commercial and International Law groups. Golden assumed his current role in January 2013. Prior to joining Eastman, he worked in the Atlanta office of a large, international law firm.

The son of an educator, Golden is deeply appreciative of the tremendous work of the educational community. He is grateful to serve on the State Collaborative on Reforming Education (SCORE) Board at the invitation of Senator Bill Frist as well as the Board of Trustees of East Tennessee State University by the appointment of Governor Bill Haslam. Golden is President of the Eastman Foundation and is deeply involved in community and civic affairs, leading Eastman's global corporate and charitable partnership initiatives. He is a strong believer that small actions can have large effects and collaboration leads to creativity. He is a frequent public speaker on topics spanning leadership, motivation, education, governance, and sustainability. Golden's other public service includes his work as a member of the Governor's Council for Judicial Appointments, the Trial Court Vacancy Commission, the Ballard Health Board of Directors, the Niswonger Foundation Board of Directors, the Howard H. Baker Center for Public Policy Board, and the Tennessee Business Court Rules Commission.

Golden and his wife Jennifer reside in Kingsport, Tennessee, and they have six children.
