

Spring Commencement

Northeast State Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award the associate degree. Questions about the accreditation of Northeast State may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

About Northeast State

History

The history of Northeast State Community College reflects the changing educational needs of the residents of the five Northeast Tennessee counties which it serves. The college began as Tri-Cities State Area Vocational-Technical School in 1966 under the governance of the State Board for Vocational Education. In 1970, the mission was expanded and the school became a regional center for vocational and technical training. The scope was again expanded in 1978 to include the awarding of both one-year certificates and associate degrees in technology and the name was changed to Tri-Cities State Technical Institute. Effective on July 1, 1983, Tri-Cities State Tech was placed under the governance of the Tennessee State Board of Regents and became part of the State University and Community College System of Tennessee. On July 1, 1990, a university parallel component was added, and the institution's name was changed to Northeast State Technical Community College. On July 1, 2009, the name of the institution was changed to Northeast State Community College to better reflect the diverse range of programs offered by the institution.

As a comprehensive community college, Northeast State provides university parallel programs designed for students desiring to transfer to another college or university, career programs for students planning to enter the workforce immediately upon graduation, and continuing education and community service programs for professional growth and personal enrichment to the citizens of Carter, Johnson, Sullivan, Unicoi and Washington Counties. In partnership with the community, the college sustains the effort toward improving the quality of life for residents of the upper East Tennessee region.

Vision

Northeast State shall be a premier learning-centered institution whose students and graduates will be among the best-prepared individuals to meet current and emerging needs.

Mission

Northeast State is an open-access, public, comprehensive community college that advances the life-long educational development of the residents of the region and strengthens the economic and social/cultural aspects of the community. To facilitate teaching, learning, service, and student success, the College provides innovative, high-quality, and relevant associate, certificate, and career-focused educational programs and services. Programming and comprehensive support services are offered through varied delivery systems and at multiple sites throughout its primary service area of Carter, Johnson, Sullivan, Unicoi, and Washington counties. Within all aspects of its operations, Northeast State serves the public's interest through the wise use of fiscal, human, and physical resources.

Values

Northeast State Community College embraces these values:

Respect: *We value respect and provide an environment of inclusiveness, cooperation, and diversity.*

Responsibility: *We value responsibility and promote integrity, accountability, and excellence in teaching, learning, and services.*

Responsiveness: *We value responsiveness and facilitate personal, professional, and economic growth.*

Stage Party

Dr. Connie Marshall, Interim President

Ms. Megan Almaroad, Director of Advancement Operations

Mr. Chad Bailey, Vice President for Finance and Information Technology

Dr. Stephanie Barham, Chief of Staff

Ms. Linda Calvert, Vice President for Administration and Grant Development

Dr. Donna Farrell, Dean of Technologies
