PSYCHIATRIC/PSYCHOLOGICAL DISABILITY CERTIFICATION

The student named below has applied for service from the office of Accessibility Services at Northeast State. Northeast State provides academic services and accommodations to students with psychiatric/psychological disabilities. Students seeking services must provide appropriate medical documentation of their condition so that Accessibility Services can: 1) Determine the student's eligibility for accommodations, and 2) if the student is eligible, determine appropriate academic accommodations.

The Americans with Disabilities Act (ADA) defines disability as a "physical or mental impairment that substantially limits one or more major life activities, a record of such or being regarded as having such an impairment." Disabilities involve substantial limitations and are distinct from common conditions not substantially limiting major life activities.

Documentation required to verify the student's condition and its severity, includes completion and return of this form to Accessibility Services by a professional with the appropriate training and credentials. Depending on the student's condition, the appropriate professional should be a licensed psychiatrist, psychologist, neurophysiologist, or other qualified and licensed mental health professional. Any professional completing this form must have first-hand knowledge of the student's condition, experience in working with college students with psychiatric/psychological conditions and familiarity with the physical, emotional and cognitive demands experienced by students in an academic setting. Diagnosis of psychiatric/psychological disabilities documented by family members is unacceptable. For additional information regarding documentation guidelines, refer to the [Educational Testing Services \(ETS\)](#) guidelines.

Student: Complete this section

Student Name: _____ **DOB:** _____

Student ID: _____

Certifying Professional: Complete this section and all subsequent sections

Provider Name (printed): _____

Signature: _____

(Signature denotes: content accuracy, adherence to professional standards and guidelines on page 1 of this document)

License Type: _____

License Number: _____ State: _____ Exp. Date: _____

Diagnostic and Statistical Manual Diagnosis (DSM)

Axis I: _____ Code: _____

Axis II: _____ Code: _____

Axis III: _____ Code: _____

Axis IV: _____ Code: _____

Axis V: _____ Code: _____

Primary diagnosis/diagnoses and date of onset:

Last appointment (*check one*): Less than 1 month Less than 1 year Greater than 1 year

Appointment frequency (*check one*): Weekly Monthly Annually As Needed

Expected duration of primary condition (*check one*): Permanent Temporary

How long do you anticipate that the student's academic achievement will be impacted by the primary condition?

Greater than 6 months Greater than 1 year Less than 1 year

Student's prognosis?

Diagnostic Tools

In addition to DSM criteria, how did you arrive at your diagnosis/diagnoses?

(Check any relevant items below)

- | | |
|--|---|
| <input type="checkbox"/> Interviews with student | <input type="checkbox"/> Interviews with other person |
| <input type="checkbox"/> Behavioral observations | <input type="checkbox"/> Developmental history |
| <input type="checkbox"/> Neuro-psychological testing | <input type="checkbox"/> Psycho-educational testing |
| <input type="checkbox"/> Self-rated or interviewer rated scale | <input type="checkbox"/> Other: _____ |

Medication and Prescribed Aids

What medication and prescribed aids are currently being used in the treatment of the diagnosis/diagnoses above?

Describe any medication side effects that may adversely affect the student’s academic performance.

Describe any other relevant aspects of this condition that may impact educational or interpersonal behavior and achievement.

From your medical perspective describe possible accommodations that could facilitate the student’s academic performance.

Functional Limitations

Please indicate the current functional limitation(s) of the patient regarding the major life activities listed below. (*Check all that apply*)

Functional Limitation	Comments	Degree of Limitation
<input type="checkbox"/> Concentration		<input type="checkbox"/> Mild <input type="checkbox"/> Moderate <input type="checkbox"/> Severe
<input type="checkbox"/> Memory		<input type="checkbox"/> Mild <input type="checkbox"/> Moderate <input type="checkbox"/> Severe
<input type="checkbox"/> Information Processing		<input type="checkbox"/> Mild <input type="checkbox"/> Moderate <input type="checkbox"/> Severe
<input type="checkbox"/> Managing External Distractions		<input type="checkbox"/> Mild <input type="checkbox"/> Moderate <input type="checkbox"/> Severe
<input type="checkbox"/> Organization		<input type="checkbox"/> Mild <input type="checkbox"/> Moderate <input type="checkbox"/> Severe
<input type="checkbox"/> Stress Management		<input type="checkbox"/> Mild <input type="checkbox"/> Moderate <input type="checkbox"/> Severe
